# Euthanasia Services & Pricing

## Euthanasia Service Options

Having to make the decision to euthanize can be a very traumatic experience for both the beloved pet and the family.

Many pets and pet parents are anxious and rushed at the vet office. The vet will then send your beloved pet to a third party for cremation. Return of your pet's remains can take weeks. **At Pet Passages we DO NOT transfer your pet to anyone else. Your pet will stay with us through the entire process and his/her remains will be returned generally within 3 business days.**

At Pet Passages we have created a loving, peaceful, and calm environment in our Rainbow Bridge rooms which are designed to make you and your pet feel as comfortable as possible during this challenging time. ***You can stay with your beloved family member for the final goodbye while they cross the Rainbow Bridge.***

We partner with a well-respected mobile veterinarian team who are compassionate, skilled, and able to guide you through the end-of-life process. ***They provide these services on a pre-arranged, pre-scheduled basis either In-Home or at Pet Passages. Our procedures are the most loving and dignified available.***

For more information, or to schedule an appointment please call us (734) 855-7029.
